

BIO

IRVING YEE, AIA CPHD

PRINCIPAL

IRVING YEE ARCHITECTURE

Irving Yee is a professional architect, with licenses in New York and in New Jersey. He is a member of the American Institute of Architects and is a Certified Passive House Designer. Irving Yee Architecture, an architectural and interior design firm, aims to inspire elegance in design while supporting the environment. With sustainable design in mind, Irving focuses his work on the experience of the built environment where design excellence and high-performance meet.
