GREG LINDSAY

CHIEF COMMUNICATIONS OFFICER
CLIMATE ALPHA

Greg Lindsay is a generalist, urbanist and futurist. He explores the post-pandemic landscape and explains why the future won't be as socially-distanced as you might think.

Climate Alpha is an AI-driven platform steering investment toward climate adaptation.

Lindsay is also an urban tech fellow at Cornell Tech's Jacobs Institute, a senior fellow of MIT's Future Urban Collectives Lab, and a non-resident senior fellow of the Atlantic Council's Scowcroft Strategy Initiative.

He is a partner at FutureMap, a geo-strategic and climate advisory firm based in Singapore, and has advised Intel, Samsung, IKEA, Starbucks, Audi, Hyundai, Tishman Speyer, and André Balazs Properties, along with numerous G20 government entities.
